

Christian Stewardship

All is a gift from God ... let us joyfully respond
Giving to support the work of St James' Church

- We invite every member of St James' Church to consider giving in support of the work of the Church.
- To keep St James' Church open and running in 2026, including our normal ongoing ministry costs, regular utility costs and running the church office, as well as funding ongoing repairs and maintenance and keeping the church clean and welcoming, our budget shows we need to find £1,900 a week of income.
- Our role in the community is an important part of our activities, providing the Fairbite Food Club Queen Edith's and Café and running the regular holiday lunch clubs which are much valued by users and perform an important role in these difficult times.
- About £340 a week will come from room hire in 2026 but in order to be attractive for users we must keep the building warm and well maintained – as well as for our congregation!
- We depend on your generosity to pay these bills and we know that many people are reconsidering their commitments as costs increase for everyone.
- In order to generate funds that would enable us to develop and expand our outreach to the wider community, as well as helping to cover the effect of inflation on our costs, we will need to grow our financial resources, via an increase in our regular giving.
- You can see the importance of regular giving in the picture below, which shows that nearly two-thirds of our total income of around £100,000 is from the generosity of our regular donors.

How much should I give?

- The Church of England encourages each of us to give 5% of our income for the work of the Church, based on the tradition of the tithe. Please consider how much you can give to St James' Church as part of your charitable giving.
- Making a regular donation helps us to budget for our costs and make plans for the future.
- Please be as generous as you can and, if you are not already doing so, start a regular pledge, or consider whether you can increase your current giving.
- If you are a taxpayer please Gift Aid your donation (at no extra cost to you). St James' Church receives 25p extra for each £1 you give under Gift Aid.

How can I give?

- The simplest way is to have a regular Standing Order from your bank (using the form at section 3 below) or to give via the weekly Envelope Giving Scheme.
- Any giving by bank transfer, cheque or cash is, of course, also welcome. If you are in church, the cashless donation machine in the foyer can be used.
- Legacies have made an important contribution to St James' Church and enabled us to fund improvements and the care of the building. Please consider including a legacy to St James' Church in your will, helping to secure the long-term future for our church.
- A one-off or occasional donation to help support the work of St James', in addition to any regular commitment, is of course also very welcome. This can be paid by direct transfer (using the bank details on the standing order form attached) or any of the other methods above.

If you wish to make a regular donation, please complete the following stewardship form. Once completed, please return by email or to the Church Office. All information about giving is confidential.

My Stewardship Pledge to St James' Church

Please complete and return to the Treasurer, Sue Wilson, by hand or post via the Church Office or by email.

Instructions: Section 1 should be completed by all. Section 2 only needs to be filled in by those who have not previously completed a Gift Aid declaration form. Section 3 should be completed if you wish to arrange or change a Standing Order and should be sent to your bank (or you can normally set up or amend a Standing Order online or via your mobile banking app).
